

AGREEMENT STILL LACKING ON IMPORTANT QUESTIONS

COUNCIL OF FOUR, HOWEVER, BELIEVES THAT FULL DECISION ON REPLY TO GERMAN COUNTER PROPOSALS WILL BE MADE IN VERY NEAR FUTURE UNLESS UNFORSEEN OCCURS.

FRANCE STILL INSISTS ON NO CHANGE

TOTAL SUM WHICH GERMANY IS TO PAY IS NOT INDICATED IN REPARATION AGREEMENT OF ALLIED ANSWER—HUNGARIAN TREATY WILL NOT BE TAKEN UP AT PRESENT TIME.

(By Associated Press)

Although agreement is still lacking on important features of the allied reply to the German counter proposals, hope was officially expressed after the meeting of the council of four in Paris on Tuesday that a decision would be reached in a comparatively short time.

It is indicated elsewhere, however, that there may still be considerable delay before the treaty is again submitted to the enemy delegation.

France is standing out against the immediate admission of Germany into the League of Nations. It is because of Germany's "arrogant attitude" that France is resisting such action at present, it is said. France would not oppose the admission of Germany at a later date.

Advices state that the reparations clauses of the treaty have been agreed upon in principle, and that the convention will not indicate any fixed sum which Germany must pay.

It is declared in French circles that the treaty will be changed less than has been generally expected. In any event, it is believed the reply will be short, covering generally all the German proposals, and will be followed by reports of commissions showing reasons why the allies cannot grant specific requests made by the enemy delegates.

Work on the clauses of the Austrian treaty that were reserved when the terms were presented is apparently at a standstill, pending the settlement of the questions arising from the reply to the Germans.

It seems probable that the treaty with Hungary will not be taken up until after the German and Austrian treaties have been got out of the way. Bela Kun, the Foreign Minister of the Soviet government of Hungary, has telegraphed Premier Clemenceau agreeing to stop hostilities against Czechoslovakia, although he blames the latter for causing the recent severe fighting along the frontier.

A dispatch from Innsbruck says that Bela Kun has accepted an allied invitation to visit Paris, and that he may head the Hungarian delegation that will explain the situation in Hungary.

"AUSTRIANS OVERWHELMED WITH DESPAIR"

Such is Claim of Renner, Who Insists Terms are Harsh.

Letter Considered by the Allies

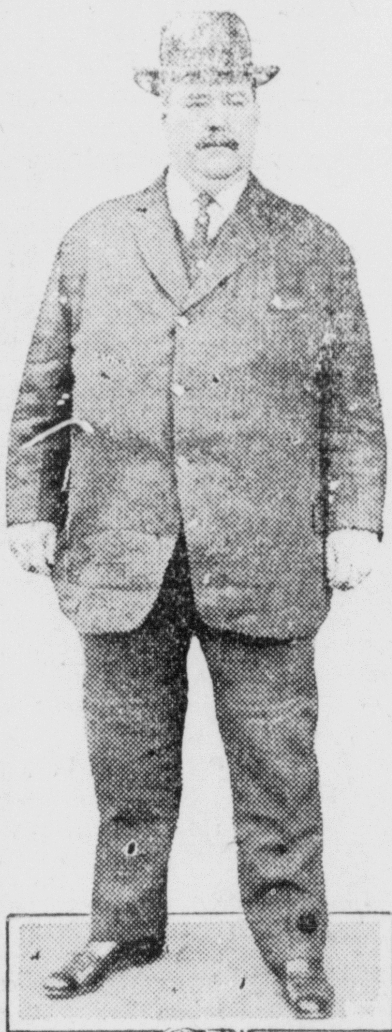

(By Associated Press)

Paris, June 11.—Karl Renner, the Austrian Chancellor and head of Austria's peace delegation, has sent a letter to the peace conference complaining of the harshness of the terms of the treaty presented to him and his colleagues.

The letter declares the Austrian people to be "overwhelmed with despair," and points out the complexity of the problem to be solved in fixing the boundaries of the new Austrian state.

This letter is being considered by the council of four today.

Grothe was arrested while trying to collect more money from the one time chancellor.

AUSTRIAN CABINET BALKS AT PEACE TERMS

Austrian peace delegation at St. Germain. Chancellor Renner, its head, is man with beard. Mons. Chaleil, French prefect, is at left. Below is famous sixteenth century chateau at St. Germain, France, where Austrians received peace terms.

The Austrian cabinet has balked at the peace terms handed the delegates by the allies. The council of ministers has voted unanimously not to accept the terms as they now stand. How far Austria will go in refusing the terms is unknown. The action of the ministers was unexpected, since Chancellor Renner, head of the ministerial council and chairman of the peace delegation, admitted at St. Germain that Austria was facing starvation when relief, directed by Herbert Hoover, reached them.

Strike Leader Says 60,000 Out Today.

(By Associated Press.)

Chicago, June 11.—Conflicting claims of union leaders and officers and commercial telegraph companies made uncertain this afternoon the extent of the nation-wide strike of telegraph operators called for seven o'clock this morning, but reports of workers maintained the number of strikers would reach 60,000 by nightfall.

"We are operating 100 per cent," declared an official of the Western Union

Telegraph Company, after receiving reports from points in this district which includes several midwestern states including Ohio.

"Our proof is in the fact that we are ready to accept all business offered."

"Twenty-seven hundred workers will be on the street by night in this district," said S. J. Konenkamp, international president of the Commercial Telegraphers' Union of America. The reports are most encouraging he said. "In Chicago alone 500 are already on strike. The number will be doubled by night."

He exhibited telegrams from various widespread points indicating the strike response had been general but failing to show the exact number of strikers.

First reports to the Associated Press from a score of central west cities and towns failed to show the strike had brought serious results.

In Cleveland about 50 operators were reported out. Company officials in Detroit report normal conditions in Michigan while union officials report 250 men out and Milwaukee reported the strike postponed until Saturday.

Both sides admitted the central

west and especially Chicago is the storm center of the strike.

The Postal Telegraph Company seems most seriously affected by the strike. Messengers joined the Postal strikers here. A number of slight disturbances occurred about the Western Union and Postal offices, pickets and workers clashing. The Western Union requested police protection after a number of outbreaks.

OHIO OPERATORS IGNORE ORDER

(By Associated Press)

Columbus, O., June 11.—Telephone and telephone service throughout Ohio is uninterrupted by the strike called for today, according to advices from all over the state today.

Not a single instance of the strike order being obeyed is reported by company officials although union officials in Cleveland assert 50 men are out.

"COMPLETE FAILURE"

(By Associated Press)

New York, June 11.—Only 166 persons including 121 operators out of a total of 40,000 employed by the Western Union throughout the country, were absent from duty at noon today. Newcomb B. Carlton, the company's president, announced in a statement termed "a complete failure" the strike called.

REFUSE TO GRANT WISH OF GERMANY

Request for Mandate for Former German Colonies is Given Cold Shoulder.

TOTAL PAY NOT FIXED

Allied Answer Gives Reasons Why Request of Germany is Turned Down Flat.

(By Associated Press)

Paris, June 11.—The reply to the German counter proposals agreed upon by the peace conference heads refuses the German request for a mandate for the former German colonies, it was learned today.

A lengthy memorandum gives the reason for the refusals and explains the operations of the League of Nations on colonial matters.

The reparations portion of the reply, which has been completed and has reached the printer, does not fix the total sum the Germans must pay.

The text of the treaty itself is not changed, but the reply contains assurances to Germany regarding the method of the reparation process, explaining that it is a workable agreement.

President Wilson fought strenuously to include a fixed total sum in the reparations clause and the close of the decision leaves him unchanged. It is said, in the belief that it is the best plan.

It is understood, however, that the President said that inasmuch as Premier Clemenceau had insisted to the contrary and as he had signed the original draft, he would sign the reply as formulated.

SENATORS INDICATE PROBE IS AT END

WASHINGTON, JUNE 11.—(Associated Press)—Chairman Lodge, Senator Hitchcock and other committee members said later it was doubtful whether any further investigation would be made.

WASHINGTON, JUNE 10.—(Associated Press)—Former Senator Elihu Root of New York, appearing unexpectedly before the Senate foreign relations committee today testified it was he who showed a copy of the peace treaty to Senator Lodge.

Mr. Root testified he got it from Henry P. Davison, of the Morgan Banking house.

Mr. Davison testified that he got it from Thomas W. Lamont, another partner in the Morgan firm, one of the financial advisers to the American peace mission in Paris, but asked for it not in his capacity as a banker but as president of the International Red Cross League, which is backed by the covenant of the League of Nations.

J. P. Morgan testified that he had never seen a copy of the treaty and so did Frank A. Vanderlip, retiring president of the National City Bank.

Mr. Davison testified he had shown it to no one but Mr. Root.

During an hour's testimony in the witness chair Mr. Root said he thought Mr. Wilson was within his constitutional rights in not sending the treaty to the Senate but thought it perfectly legitimate for the Senate to ask for it after it had been published by the German government.

He gave it as his opinion that the president was within his rights in not consulting the Senate more freely on the negotiations but thought it would have facilitated a solution had that been done. Mr. Root saw nothing improper in Mr. Davison having a copy of the treaty.

At the conclusion of Mr. Vanderlip's testimony the committee ended the hearing for the day and went into executive session.

THE UNIVERSAL CAR

Ford cars are important servants everywhere. They help the family enjoy life, bring the pleasures and advantages of the town within reach of the farmer and give practical service every day in country and town. They require a minimum of attention; any one can run the Ford and care for it, but it is better to have repairs and replacements taken care of by those who are familiar with the work and have the tools, the genuine materials, and skilled men to do the work promptly. We pledge Ford owners the reliable Ford service with real Ford parts and standard Ford prices.

METHODIST CENTENARY PLANS TO MEET CITY RELIGIOUS PROBLEMS

MORGAN MEMORIAL CHURCH, BOSTON.

THE United States has become a nation of big cities, where the currents of life flow most swiftly and mingle most readily. Only a Christian Americanism can withstand the swirling maelstrom of the ideas and ideals which have wrecked nations in other lands. Life becomes very complex in the crowded cities—the old type neighborhood and community life displaced, the home suffers most. The congestion of population increases and American citizens give way to the foreigner.

It has been a sad commentary on American religious life that the downtown city church, instead of adapting itself to the new problems, moves away from them. The need is greater for religious and civic education than ever before, but the churches have not been meeting the problems.

One of the objectives of the Methodist Missionary Centenary is to establish modern downtown religious plants of an institutional and industrial nature which will correct this defect.

The program for work in the Cincinnati Area includes work of this character in Cleveland, Cincinnati, Indianapolis, Louisville, Ky., and other places. Of the \$115,000,000 for which a canvass will be made May 18-25 no small part will be devoted to this important work in the home field.

The picture above is of Morgan Memorial Church in Boston, which stands as one of the greatest modern city churches. In this church fifteen hundred children of twenty-five nationalities are taken care of every day; men are placed upon their feet by industrial work; children and parents are both reached by forms of activities which they recognize and welcome, and meanwhile the way is paved for religious work in such a way as the old form of church never realized. Such churches as these have a vital part in the Americanization of our modern cities.

AT M. E. CHURCH

Tonight at 7:30 p. m. at Grace church all the officers and teachers of the Methodist Sunday School, together with all members of the school are invited to meet a Centenary representative from Columbus, O., to make arrangements for the big Sunday School day at the Centenary celebration, Friday, June 27.

DEATH CLAIMS BOWMAN HESS

Mr. Bowman Hess, pioneer undertaker of Fayette county and widely known and beloved citizen, passed away at his home on Washington Avenue, Tuesday evening at 5:15 o'clock at the age of 80 years. Half of his life was spent in the undertaking business in this city, and his later years quietly lived out with his daughter, Miss Ella, looking after his farm interests as much as his age and health permitted.

The kindest and most friendly of men Mr. Hess' business and personal friends were legion and he was also a prominent member of the Odd Fellows, Knights of Pythias and Red Men's lodges. He was one of the oldest, if not the oldest, members of the local I. O. O. F.

For a year and a half Mr. Hess has been an invalid and for the past season very feeble, his condition becoming serious about a week ago.

He leaves three children, Mrs. Os. Briggs and Miss Ella Hess, of this city, and Dr. Robert Hess, of Five Points, Pickaway county.

Funeral services will be held Thursday afternoon at four o'clock, at the residence, and burial will be made in the Hess lot in Bloomingburg. Friends are requested to omit flowers.

MRS. E. C. BROWNING ENTERS ETERNITY

Mrs. Elizabeth C. Browning passed quietly into the eternal realms Wednesday morning at one o'clock at her home on Market street, aged 79 years.

For the past six months she has been ill, her advanced age offering little hope of recovery, and her last days blessed and brightened by the constant care and affection of her children.

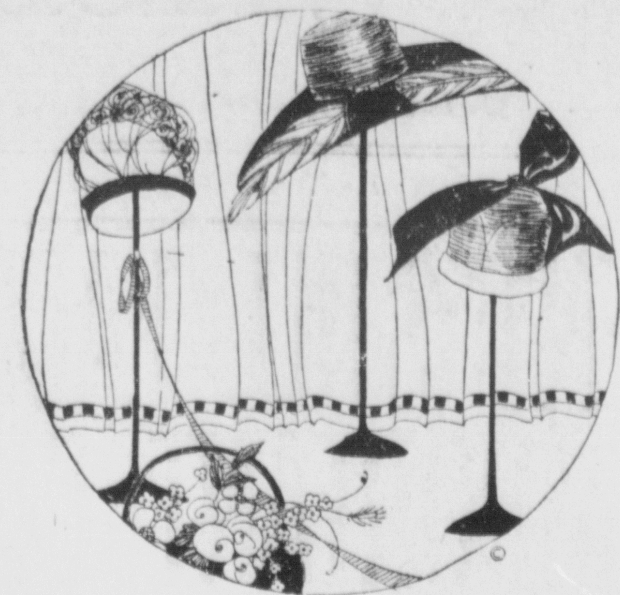

Mrs. Browning left the home farm near Bloomingburg, where her son, John, continues to reside, and moved with her daughter, Miss Fannie, to this city several years ago. Both here and in the Bloomingburg vicinity she was held in high regard by many friends, to whom the word of her death brings sincere regret.

She was a very devoted mother and her deepest interest always centered in the lives of her children, who have much sympathy in their loss.

The three surviving children are: Charles McCoy, of Washington C. H.; John and Fannie Browning.

Funeral services will be held Friday at 2:30 p. m., in the First Baptist church of this city. The burial will be made in the Bloomingburg cemetery.

As we understand it, the German diplomatists' position is that they shouldn't be obliged to accept such parts of the treaty as they don't like.

CRAIG BROS

RICHARD HAYNES NOW ADMITTED TO FAMOUS WEST POINT

Richard Haynes, son of Mrs. Daisy Haynes and one of this year's local High School graduates, received word Tuesday that he had been nominated by Hon. S. D. Fess, representative from this district, for admission to West Point Military Academy.

The letter received stated that the Secretary of War, since the time was short, had decided to permit admission to West Point by certificate in lieu of the regular examination, and that certificate of admission would be sent at once.

According to instruction young Haynes will report to the Military Academy before July 10.

Although the young man has had his name on the entry list for some time yet the notice that he had been appointed, without the customary weeks of study and examination, came as quite a surprise and speaks well for the appointee's ability.

The host of warm friends of popular young man will learn with pleasure of his success although deep regret will be felt at his departure from the city.

"Dick," as he is popularly known, gained a wide reputation while in the local High School as a gridiron star and was also a mainstay of the Glee Club.

DISAGREEMENT IS EXPECTED TO MEAN NEW TRIAL

*Jury Fails to Return Verdict
In Gypsy Case After Long
Deliberation.*

*Unusual Nature of Case At-
tracts Widespread Inter-
est in Result.*

As result of a disagreement of the jury in the gypsy case of Ohio against John Nichols and others, a new trial of the case is possible some time in the not distant future.

The case went to the jury at 4:40 Tuesday afternoon and after deliberating until about 9:20 p. m. the jury asked for information which indicated a hopeless disagreement, so that at ten o'clock Judge Carpenter called the jury in and a poll showed that none of the twelve men thought there was a chance of agreeing, with the result that they were given another hour in which to deliberate and strive to arrive at some solution of the case.

At eleven o'clock the jury was called into the court room and announced that no progress had been made, and that there was no prospect of reaching an agreement. This resulted in the jury being dismissed from further consideration of the case.

A large number of gypsies and several local citizens hung about the court room until the jury was finally

dismissed, and during the course of the evening the two factions quarreled back and forth, the Bimbo gang protesting that the other gang repeatedly made insulting remarks and threats.

That Bimbo and his family live in dread of the other gang of nomads has been indicated by the fact that Bimbo had a special policeman to furnish protection to himself and

family while here, and the officer kept an eye on the other gang when they were around the Bimbo family. No outward signs of violence were shown by the gang opposed to the Bimbo gang, however, although it was apparent that there was bitter hatred among the two groups of gypsies.

An incident of the afternoon session occurred at the close of the argument of Attorney Young, of Dayton, on behalf of the accused men. An uproar of applause came from the gypsies and their friends in the audience until the Court had to call them to order.

Because of the very unusual nature of the case and the fact that it was between gypsies of apparent wealth and influence among the tribes of rovers, a great deal of interest centered in the outcome.

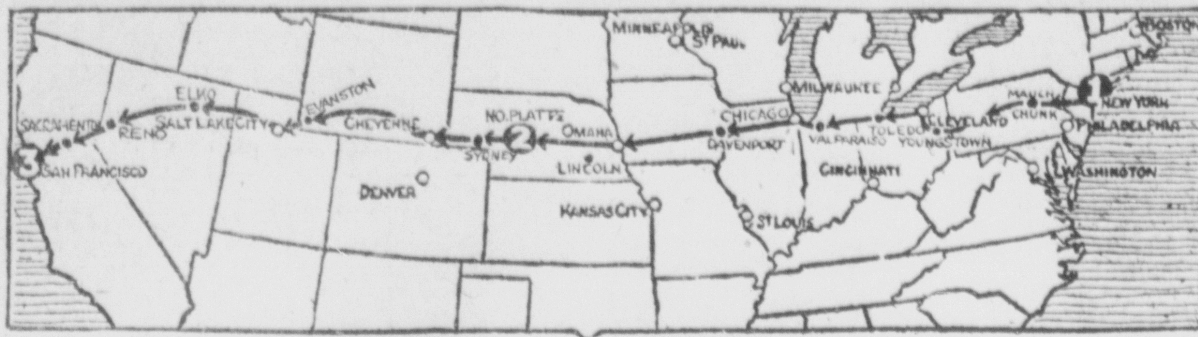

The cost to the county already has been in excess of \$1,000, it is understood.

TRANS-CONTINENTAL FLIGHT NEW AIM OF U. S. FLIERS

Route of proposed trans-continental flight: (1) Mineola, L. I., starting point; (2) North Platte, Neb., scheduled landing point en route; and (3) San Francisco, the finish. Photo is of Capt. Roy N. Francis, who will pilot the Martin bombing plane to be used for the trip.

A trans-continental airplane flight from Mineola, L. I., to San Francisco, with only one stop en route, is to be attempted in a few days, according to an announcement by the war department. Capt. Roy N. Francis will pilot the plane and First Lieut. Edward A. Clune, another skilled aviator, and two or three expert mechanics will accompany Francis. Valuable meteorological information and other data will be gathered on the trip. The army hopes to make the trip a success to add its chapter to the aviation

history being made by United States fliers. The condition of the territory passed over will be tabulated from the standpoint of good and bad terrain for aerial routes. The total distance traveled will be about 2,750 miles, and the department estimates the trip will take thirty-two hours.

The airplane to be used was originally designed for military purposes as a day or night bombing plane or long distance photography. A war department statement says:

This airplane is particularly adaptable to the requirements of civil aeronautics for passenger, mail and express service, coast, border and forest patrol. This adaptation would not involve any important changes, for the same machine, less the military equip-

MISSIONARY WAS RAILROADED BY JAPANESE COURT

(By Associated Press.)

Tokio, May 5.—(By Mail)—The Rev. E. M. Mowry, of Mansfield, O., an American Presbyterian missionary, had no lawyer to represent him in the court of Pyeng Yang when he was convicted recently and sentenced to six months penal servitude for sheltering Korean agitators in the independence movement. The trial was held after one day's notice to the accused and neither he nor his friends who were in court watching but taking no part in the case were notified until after the trial that they could have asked for and obtained a postponement.

These facts are stated by the Rev. Samuel A. Moffett who has charge of the American Presbyterian missionary at Pyeng Yang. The Rev. Mr. Moffett has called them to the attention of the Japanese authorities at Pyeng Yang and forwarded a statement of the facts to the American consul at Seoul.

The Rev. Mr. Moffett attended the hearing in the case of the Rev. Mr. Mowry before the district court and made a detailed report of the proceeding in which he stated that he called upon Mr. Mowry, then under arrest, on April 10. A detective informed Mr. Moffett that Mr. Mowry probably would be sent to Seoul but on April 14, both Mr. Mowry and Mr. Moffett were notified that Mr. Mowry would be put on trial the next morning.

The Rev. Mr. Moffett's transcription of the evidence shows that the Rev. Mr. Mowry told the court that he was a teacher of the Union Christian College and principal of both the Boys' and Girls' Grammar schools at Pyeng Yang and that he had taught there since 1911. He said that he had admitted to his house five Korean students for two days in March after the beginning of the independence movement. One of these had been his secretary for six years and was so engaged until he was arrested by the Japanese.

The missionary had given him money for school expenses for five years. The others were pupils he had taught. The Rev. Mr. Mowry told the court that he had heard that the Christians and students had held an independence meeting at the Boys' Grammar school, that he had nothing whatever to do with it but heard they had read a declaration of independence, raised the Korean flag and marched down the streets shouting "mansi" (long live Korea). The missionary declared that he had heard that the police were going to arrest the students but that when the boys came to his home they did not tell him why they wanted to stay there, did not say they were in hiding from the Japanese and that he told them that he could not protect them if they were doing anything they should not do.

KOREANS KILLED BY JAP TROOPS WHO BURN TOWNS

(By Associated Press.)

Tokio, May 1.—(By Mail)—Thirty-five Koreans were shot or killed with swords or bayonets by Japanese soldiers in a Christian church building at Cheam-ni, forty miles from Seoul in connection with the Korean independence movement.

This has been confirmed by an investigation by British and American consular agents and by missionary leaders in Korea. The facts are admitted by the Japanese authorities at Seoul, including the Governor General Hasegawa. The authorities say that they deplore the out rage, that those guilty of it have been punished and that orders have been given to prevent a recurrence.

Investigators also have found that Soochung, another village near Cheam-ni, was burned by the Japanese and that several Koreans there were wounded in an attack by Japanese soldiers who shot them or used their swords and bayonets on them as they fled from their burning homes after the troops had set fire to the buildings.

Reports have been received of the burning of Christian churches in three other villages and Koreans told The Associated Press correspondent at Seoul that they could show him nine villages which had been burned by the Japanese.

Details of the massacre at Cheam-ni were obtained by The Associated Press correspondent who visited that place in company with Raymond S. Curtice, the American Vice-Consul at Seoul and Mr. Underwood an American missionary. Subsequently the

correspondent again visited the place with Mr. Roys, the British Consul and several missionaries including the Rev. Herron Smith, who is in charge of the work of the Methodist church in Korea. Describing his visit to Cheam-ni, the Seoul correspondent writes that when they asked residents of nearby villages why that hamlet had been burned they were told that it was because there was a Christian church and many native Christians in the village.

Let's Get Back

Herbert C. Hoover asserts, speaking of the chaos in Europe: "This sort of economic delirium tremens will end with peace."

Many Americans will confess that Mr. Hoover's statement brings encouragement to them and that their hopes and beliefs for the return of order and industry to distracted Europe had begun to weaken a little.

It has been so long since Europe has been at peace, it has been such a long time since the armistice was signed and yet there is no indication of when this turmoil and confusion is to come to an end.

The United States has financed and fed and clothed and loaned staggering sums and the end is not in sight.

Europe must go to work. Europe must produce and until it does there is certain to be confusion and social chaos.

Sometimes one is forced to fear that the United States has been too generous with Europe, that America's work and America's intentions are not appreciated and worse than all that Europe has come to believe that the United States will foot the bills, furnish food and clothes and see Europe through a long period of industrial inactivity and economical and social confusion, just as we did in the turmoil of war.

It's a mistake to allow Europe to entertain any such notion. It is time that Europe was given to understand that she must go it alone. The United States saved Europe from the Huns but the United States should let Europe clearly understand that the national purse has been closed and that only Europe herself can save Europe from the chaos of idleness.

It's time to let Europe go it alone. For the present we have done our full part and we must now look after our own affairs. The borrowed billions must be paid, the staggering economic problems which this nation, even with all its plenty, faces must be solved. America has her own business to attend to now—lots of it and important business—and we should quit being the generous, rich, open handed old uncle to Europe, strike the balance and see where we are coming out ourselves.

All of our officials from President Wilson down to the bottom of the list should pack up, bag and baggage, and come home and let Europe alone.

No one regrets what has been done, but everyone is convinced that it is time, for our own good and for the good of Europe too, to quit fathering Europe right now.

The Berry Crop

The hill counties are full of the promise of an abundant crop of blackberries. Every bush, from the smallest to the largest, from the modest ones growing in the corner of the fence row to the hardy bushes of the tangled undergrowth of the deeper woods is a mass of bloom. "A world" of berries this year, are destined to ripen secure from the grasp of man, for the birds and the wild creatures of the deep silent woods.

The blueberries and the wild thorny gooseberries are promised in as great abundance as the blackberries. The birds and the denizens of the woods are promised an abundant crop as well as man.

In these days of automobiles when folks can drive from their home towns, here on the plains and lowlands, to the hill country in a few minutes time the traffic on the pikes and roads promises to be heavy, with thousands bent on combining a little business with the pleasure of the outing a real old fashioned "berrying" affords.

Not so many years ago the D. T. & I. railroad, then the Ohio Southern, carried, during the blackberry season an extra express car or two and ran several hours late because of the berries coming out of the hill country for the market.

This year the expert pickers will reap a harvest in money, unless all signs fail, but they will deliver a score of crates direct to the consumer where one is consigned to the commission men.

Another feature of the good old lucious blackberries is that their kind is too numerous to be cornered. They grow in every ravine and on every hillside where the hardiest and most prolific of vegetation can fasten its roots. The berries are like the hill people, plain, dependable and numerous.

With other fruits so high in price an abundant berry crop in the hills will be a blessing of which folks will not hesitate to take advantage.

POETRY FOR TODAY

EDITH CAVELL.

The Maytime burgeons on the English fields.
Hawthorn and daisies nod upon the breeze.
The skylark rises, pouring out his song
And Nurse Cavell is home from overseas.

The Dover Cliffs salute her coming home
As proudly rides her warship to the pier,
And London with uncovered head salutes
As in Westminster stands the funeral bier.

At last, beneath the Norwich sod she sleeps,
And every English-speaking land is glad
That splendid woman has come home at last,
Edith Cavell, who dared a world gone mad.

The German rifles closed her life at dawn,
One helpless woman, all the Kaiser's might,
But that immortal death told round the earth
Fanned into flame the glowing wrath of right.

Men died in trenches, murmuring her name;
Men sank in icy seas, but kept their hearts;
Men flamed to fiery doom adown the skies
Nor faltered as they played their ghastly parts.

Now shattered lies the Hohenzollern dream;
But daisies blow upon the English breeze,
The hawthorn spreads its sweetness throughout the land,
And Nurse Cavell is home from overseas.

COTTON MILLS RESUME WORK

London, May 18. (By Mail).—After having kept their mills idle since April 10, most of the Lancashire spinners of American cotton resumed activity on April 28. The 100,000 operatives effected are now back at work.

Nothing, says the American Chamber of Commerce in London, has brightened the outlook in Lancashire so much as the government's recent removal of the quantitative restrictions on exports to the European neutrals and the abolition of the blacklists for those countries.

Holland, for instance, was in peace time second only to Germany as Lancashire's bent yarn customer, and it is now expected, that millions of dollars worth of Lancashire peace goods and yarns will be absorbed by the Dutch, Danish, Norwegian, Swedish and Swiss markets.

Considerable yarn contracted for long ago and at much lower prices has been held up by the restrictions. The American Chamber in London understands that to cover such cases the Dutch weavers and the English spinners have recently come to an agreement that an increase of from 1d. (2 cents) to 3d. (6 cents) per pound over contract prices shall be paid to the spinner when the yarn is shipped.

WARREN—This city adopted central time yesterday morning, setting the clocks back one hour at 2 a. m. following a resolution passed by the city council.

Many Masters

We who serve the nation by providing its meat have many masters.

There are hundreds of thousands of stock raisers, asking for a quick market and a high price for their stock.

There are the millions of consumers looking to us, through tens of thousands of retail dealers, for a constant supply of meat at as low a price as possible per pound.

There are the thousands of wage earners properly eager to earn more.

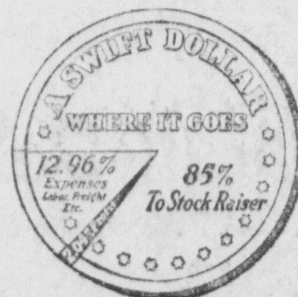

There are the 25,000 holders of Swift & Company shares—8,000 of them women—who have a right to expect reasonable returns on their investments.

There are the hundreds of competitors, big and little, alert to discover, for their own advantage, any momentary breakdown or lapse in our service.

In all our activities we try to deal on a basis of equity, so that all may benefit and none be injured by the advantages that go with organization, wide scope, and efficient management.

And this service of Swift & Company is performed at a profit of a fraction of a cent per pound.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

"The time has come when the Y. W. C. A. challenges the present educational system," says Dr. Augusta Rucker, head of the health division of the bureau of social education of the National Y. W. C. A.

Crime is due to a lack of practical knowledge of mental health. The program of the Division of Health is an attempt at turning over practical knowledge of health to the individuals of the world. It is an attempt at democratization of health education.

"Health has too long been considered as a responsibility that must be borne, a debt that must be grimly paid with interest to society. We are only just beginning to recognize health as a maker of the radiantly beautiful, as a converter of the creature into a creator. This is health, mental and physical, that we want to present to the women of the world, that they may help us to present it to the whole world."

In outlining the health program being inaugurated by the Y. W. C. A., Dr. Rucker explained the necessity of having "Health Centers" where the individual may be examined and given suggestions as to the improvement of her mental and physical health. In this regard Dr. Rucker says "We have been led now to believe that there can be no health in its completeness for the individual without work for the individual. The issue against any work which is not a fifty-fifty friend of health. It is up to every leader in Y. W. C. A. work, through her own life of health, to give others an understanding of health."

Health farm and camps will have to be come a permanent part of the machinery of the Y. W. C. A. if the Association is going to serve as a developer of world citizens of the finest type, in Dr. Rucker's estimation. These farms, when put into operation, will be variously located over the country where all forms of health giving exercises can be had through the summer to make the

year's work in the city go with health and vigor.

Miss Jean Fitzgerald, who graduates from Ohio State University next Tuesday, June the seventeenth will entertain with a house party at her home in Columbus, for the Commencement festivities. Her guests will be confined to the girls of the Sour Pickle Club of which she is a member.

Miss Fitzgerald has been exceedingly popular in college activities throughout her entire course, and receives her B. A. degree in the College of Arts, Philosophy and Science, following an excellent college record.

Youth and beauty featured in the Commencement dance given at the K. of P. Castle Tuesday night.

It was an assembly of fifty couples, confined almost entirely to the graduates of '19 and the younger set and the large ball room presented a maze of kaleidoscopic color in the pretty gowns of the attractive buds. The decorations were elaborately carried out in the same Yale Blue and rose of the Class Night dance, and a number of electric fans whirled constantly, relieving the intense heat of the evening.

Punch on tapis when ever desired proved delicious, cool and refreshing.

The music, the Jazz Orchestra from Wittenberg College, Springfield, was wonderful—fully up to its reputation as the best Jazz orchestra in the state the fox trots especially popular. The liberality with which the orchestra played encores was shown hearty appreciation.

The dance was one of the most brilliantly successful of the season, ably managed by Messrs Willis Willis, Joe Wilson, Walter Weaver, John Brown.

A number of young people attended from Chillicothe, Circleville, Springfield, South Charleston.

Mrs. H. Renick Boggs charmingly entertained the Tuesday Auction Bridge Club serving a refreshing summer collation after the game.

Miss Dorothy Bush, who receives her diploma from Mt. Saint Joseph's Academy on the Ohio river, next Tuesday, June seventeenth, will graduate with "Distinction in Music," which is the first time in the history of the school that any pupil has been so honored in this department.

Prior to this time this honor has been bestowed on post graduates, and is a flattering recognition of Miss Bush's unusual talent as a pianist.

Mr. and Mrs. E. L. Bush go to Cincinnati to attend their daughter's graduation, Tuesday.

Mrs. Laura Martin and Mrs. Frank Kennedy's Sunday School Class gave a delightful picnic supper Tuesday evening at the home of Mrs. Clark Coffey in honor of two members home on visits, Miss Mable North, of Akron, Ohio and Mrs. John L. Whittington, (nee Louise Larrimer) of Syracuse, N. Y.

With the teachers and the honor guests were seated Misses Elizabeth Allen, Hattie Montgomery, Bernice Connor, Lizzie Ellen Green, Dora Mae Stuart, Bonnie Judy, Lillian English, Harriette Allen.

Assisting Mrs. Coffey were Misses Ruth and Dorcas Waters and Mrs. M. C. Myers.

Mrs. Albert Flowers received a telegram Monday from her husband, Sergeant Albert Flowers of the 363 Bakery Company stating that he had landed safely at Newport News, Sergeant Flowers is expected home within a week.

Mr. and Mrs. W. A. Tharp received a telegram Wednesday morning from their son Burris Tharp that he had landed in New York, and would be sent to Camp Merritt, N. J.

Miss Leona Rhoades is the guest of friends in Springfield.

Mr. and Mrs. Williams Craig leave Thursday morning for Greensburg, Pa., to visit Dr. W. A. Worley and family. Mrs. Craig will go on to Atlantic City and Philadelphia the first of the week to visit other relatives.

Misses Margaret Carville, Alice Greenbaum; Harold Perry and Harold Spencer motored over from Chillicothe Tuesday night for the Commencement dance.

Mrs. Lowell Brown and Miss Ruth Waters went to Columbus, Wednesday to drive home a Grant car for the Elmer Junk Auto Sales Company.

"Mr. and Mrs. Warner Beale of Mt. Sterling, will attend the commencement at Western College for Women at Oxford, next week. Miss Helen Beale is one of the graduates of the college."—Madison County Democrat.

County Treasurer and Mrs. A. W. Duff have returned from a few days stay in Cleveland.

Mr. Walter Craig left Tuesday night on a business trip to Cleveland.

Messrs V. J. Hoppess and Frank L. Parrett are on a business trip to Indianapolis, Ind.

Mrs. Russell Mains was a shopping visitor from Greenfield here Tuesday.

Mr. and Mrs. J. W. Holman returned from Pittsburgh, Pa., Wednesday evening and are the guests of Mrs. Holman's parents, Mr. and Mrs. C. F. Ballard.

Mr. Charles Allen was a business visitor in Circleville Tuesday.

Mrs. Hetty Stitt of Los Angeles, Cal., who is making an extended visit with relatives and friends in Fayette County, has been the guest of Misses Belle and Josephine Owens the past week.

Miss Chloe Anderson went to Greenfield, Wednesday afternoon to attend the commencement exercises of the Greenfield High School, which includes a class play. Mr. and Mrs. J. W. Anderson and Mrs. Wallace Caldwell motored over with her.

Mr. and Mrs. Herman Jones and children are moving back to their former home in Merom, Sullivan Co., Ind. Mr. Jones finding it necessary in order to look after his father's estate. They have made a circle of warm friends during their three year's residence in this city and their removal occasions much regret. Mr. Jones retains all of his large farming and business interests here and will divide his time between Fayette and Sullivan counties.

Mr. and Mrs. M. S. Daugherty, Mr. and Mrs. H. E. Daugherty and daughter Janet motored to Columbus, Wednesday.

Misses Fannie and Nina Dahl went to Maple Grove Hotel Wednesday to be guests for a week.

Mrs. Fuller Hess is down from Columbus at the home of Mrs. Calvin Holmes to meet her daughter, Miss Aileen, who returns the last of the week from Miami University, Oxford, for the summer vacation.

Mrs. B. C. Mace spent Tuesday with her sister, Miss Grace at the Good Samaritan Hospital in Cincinnati.

Lt. Col. W. L. Carman, who was summoned home by the illness and death of his father, the late Isaac H. Carman, returned to Camp Dix, N. J., Tuesday night.

Mrs. Frank C. Parrett spent the past two days with her mother, Mrs. Eastman, in Columbus.

Mr. E. C. Doty and family of Leesburg, were the guests of Mrs. Sarah A. Rowe, Misses Florence and Elsie Rowe, Wednesday.

Mrs. H. T. Wilkin has been visiting her sister, Mrs. Howard Tolle, in Hillsboro this week and attended the Prouty-Worley wedding Tuesday night.

Mr. Ray Maynard spent Wednesday in Cincinnati on business.

Mrs. J. F. Myers is spending the week in Indianapolis, Ind., with her husband.

CHIEF ON WAY HOME WITH BURGLARS

It was announced at 3:15 Wednesday afternoon that Chief Moore would reach this city on the evening D. T. & I. train, with the two men charged with robbing the Worrell jewelry store.

The Worrell automobile was wrecked near Marysville while returning with the men.

AVERAGE YIELD FIXED AT THIRTY BUSHELS

A local grain dealer issued the statement Wednesday that the wheat prospect is the best that Fayette Co. has ever possessed at this time of the year and that the average yield per acre would probably be the greatest in the county's history.

He stated that farmers believe there will be an average yield of thirty bushels per acre.

Lates reports say the wheat blown down some time ago is straightening up.

LAST UNITS ARE COMING HOME

Archangel, June 9.—The last units of American troops on the fighting front south of Archangel, except engineers, were withdrawn today and will sail for home next Sunday.

They include the remaining companies of the 339th Infantry, the 337th Ambulance Company and a medical detachment.

LEGION OF HONOR CROSSES GIVEN

Paris, May 16, (Correspondence to The Associated Press.)—Thirty-four American officers were decorated the other day with the cross of the Legion of Honor in the grand court yard of the Invalides. The honors were conferred in the name of the French Republic by General Berdoulat, Military Governor of Paris, and the following were the recipients.

The officer's cross of the Legion to Brigadier General Charles R. Kraft, hof, Brigadier General Charles H. McKinstry, Colonels H. H. Whitney, Edwin D. Bricker, John Carty, Halsey Dunwoody, Stanley Dunbar Embick and Ulysses S. Grant and Lieutenant Colonel William G. Atwood.

SCHOOL NOTES

O. B. Louth, of Batavia, has been employed as superintendent of the Bloomingburg schools, succeeding John Morris, who resigned.

Miss Isabella Kennan, who taught in the Jeffersonville high school during the last term, has resigned and will teach in the London high school.

Jessie Spellman, who is one of the Ohio University graduates this season in Home Economics department, has been employed to take charge of the Home Economics branch of the Jeffersonville schools.

A vacancy still exists in the superintendency of the Good Hope schools, C. D. Bennett having resigned to attend school.

RAILROAD CROSSINGS IN BAD CONDITION

A number of local citizens have called attention to the very bad condition of many railroad crossings in the city, and the B. & O. crossings in particular.

Through possible lack of attention the crossings have been allowed to get in such condition that the motorist, when passing over the rails receives a decided shock.

It is expected that the city officials will take the matter up and demand improvement of the bad crossings.

HORSE KILLED IN RUNAWAY MISHAP

When a team of horses owned by Henry Boyer, of near Staunton, became frightened and ran away in Staunton, they collided with a tree, one animal going on each side of the tree with the result that one horse was killed almost instantly.

Damage to the wagon was comparatively light.

AUTO INSIGNIA READY NEXT WEEK

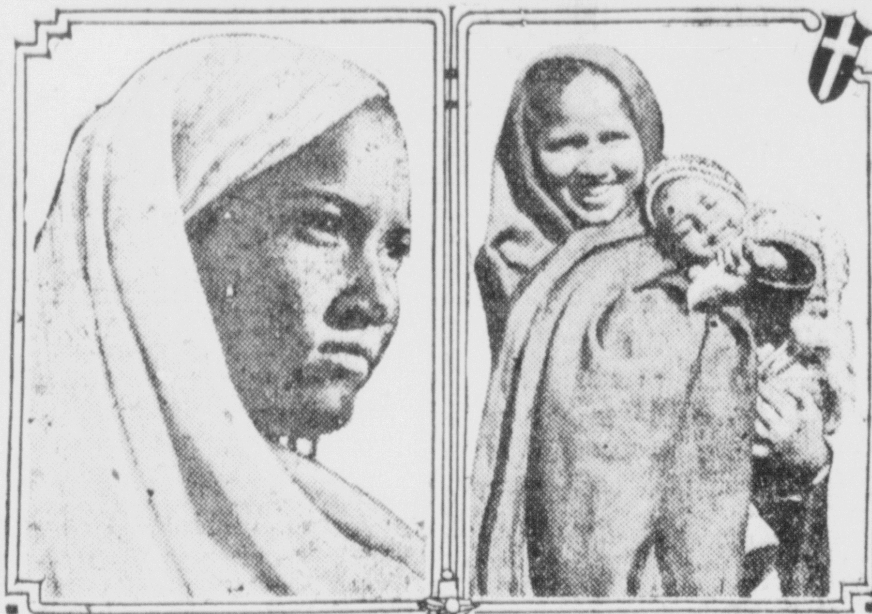

The Fayette County Automobile Club has received word from the Auld Company of Columbus that the Club's insignia will be shipped Saturday and will be ready for distribution among the members some time during next week.

The company also states that they have manufactured emblems for the clubs in the large cities, but that none have been able to compare with the Fayette County Club emblem in both beauty and design.

The emblem for the local club is hexagonal in shape, made of transparent red and white enamel and with silver binding.

Ohio Girl Vividly Describes Tragedy of Heathen Women

THESE two pictures illustrate vividly the contrast between non-Christian and Christian conditions throughout the world. The picture on the left is of the only Hindoo woman in a large city who can read and write. In the great country of India, where one-fifth of the world population resides, only 1 per cent of the women and 11 per cent of the men possess the slightest semblance of an education; the same situation prevails in very large measure throughout the non-Christian world. Womanhood is very poorly regarded. With the coming of Christianity a very different situation will be brought to pass, as is evident by the picture on the right.

A letter from Mrs. Zela Wiltzie Worley, daughter of Dr. G. B. Wiltzie of Wauseon, an Ohio girl who graduated at Ohio Wesleyan university, tells vividly of the situation in China. She says:

"Dear Friend: Would you mind a letter from the missionary's wife just once? Yesterday morning, when I was bathing the baby—you know our first wee kiddie arrived last summer—the amah seemed to have an unusual inclination to talk, and I want to tell you what she told me. I had been joking with her and asked her if she would buy Clara Gene. In fun we started the characteristic Chinese haggling over price, she trying to 'jew' me up, and I trying to 'jew' her down.

"Oh," she said, 'girl babies are very expensive the last two or three years. Now you have to pay over \$10 to get a nice fat one! Before that, if you did not drown them you had an awfully hard time to get rid of them. There was a man in our town to whom we took the girl babies. He would go up and down the street with them and give them to anyone who would give him a chicken and a bowl of vermicelli in return! I had heard of this a good many times.

"But do they drown the babies now?" I asked.

"Oh, yes. Of course, if you already have one or two boys you do not mind so much having a girl baby. You know in my village I am the only Christian.

My family and the rest of the community worship idols. So they do not know any better. Why, my sister almost drowned my second little boy. He had just arrived, and she thought it was a girl and had already stuck its head down in a pail of water when I rescued him. I never did like to see it done. Once I persuaded our next-door neighbor to keep hers, when all the rest of them wanted to get rid of it. She sold it afterward!

"But who usually does it?" I gasped, 'surely not the mother?'"

"Yes, she does. She is so mad when she finds it is only a girl. Sometimes the mother-in-law, and often the father.

"Do they bury it then?"

"Sometimes they wrap it up and throw it under a pile of rubbish. You know we do not have coffins made for any of our babies who die before they have their first teeth. I have seen so many babies drowned, Mrs. Worley, I never did like to see it, for they cry so!"

"Do you wonder I could think of nothing else all day? So in the afternoon I inquired of our Chinese teacher's wife, and she told me that it was still a very common custom. 'Just last week,' she said, 'the woman next door went back to her village, two miles from here, and she said her sister had drowned her baby while she was there.' And then, when the English missionary's wife came to call, I asked her if she knew about it. She told me it was the custom in Ningdaik, where she formerly lived, for the women just to throw them under their beds, and they 'would be gone in a day or two.' Think of it, your own baby under your own bed, with no clothes on, nothing to eat, and crying!"

The Methodist Missionary Centenary will devote part of the \$115,000,000 to be raised in its campaign May 18-25 for Christian world-reconstruction work to the education of women in the non-Christian lands, believing this to be one of the fundamentals for the progress of the world.

FIRST GAMES OF SERIES PLAYED

The first games in the volley ball tournament being staged at the Y. M. C. A. were played Wednesday noon and resulted in some very interesting contests.

Three teams played the first series among themselves, the opponents being chosen by lot.

The first game was between Peddicord's squad and Bert Ellis' players. In a closely played contest the Peddicord crowd won by a score of 21 to 15.

Barber's team was the next victim of the Peddicord attack and went down to defeat 21-13.

The two defeated teams, Barber and Ellis then took the floor, but the Barber bunch was too strong for the tired Ellis followers and was defeated a second time, 21 to 5.

Over 20 business men played in the games. A large crowd of enthusiastic rooters was on hand.

The teams play the second series at the Fish and Game Picnic on next Wednesday afternoon.

OHIO WOMEN WIN ANOTHER VICTORY

(By Associated Press)

Columbus, O., June 10.—Ohio women scored heavily today before the Republican State Advisory Committee at its session here. A resolution was adopted placing the party on record in favor of woman suffrage, and at the same time recommending to Republican members of the legislature that they support the resolution ratifying the federal suffrage amendment.

Further recognizing the women, the committee decided informally to soon appoint four or more Republican women to membership of the state advisory body.

The suffrage resolution is expected to come up for adoption in the legislature next Monday evening, when the assembly reconvenes to complete its work. Indications are said to be that it will be adopted by a large majority.

A want ad will do it for you.

HOUSE PASSES RAILROAD BILL

Washington, June 10.—By a vote of 305 to 4, the House today passed the bill authorizing an appropriation of \$750,000,000 for the railroad administrations revolving fund.

Democratic members urged a larger amount but did not press any amendment for an increase, while Republicans declared the fund would be sufficient until later in the year, when future needs would be known. The measure now goes to the Senate where leaders plan early action.

HUNGARIANS TO STOP FIGHTING

(By Associated Press)

Hungarian Communist Foreign Minister, in reply to a message from Premier Clemenceau, according to a wireless dispatch from Budapest, agrees to stop hostilities with the Czechoslovaks, although he claims the Czechs are to blame for the fighting because they disregarded the frontier fixed by the Allies.

MORE TROUBLE

(By Associated Press)

Winnipeg, June 10.—Serious clashes resulted from demonstrations by strike sympathizers against returned soldier constables this evening.

A squad of special police and mounted police then paraded the affected area. Missiles were thrown by the crowd, the police retaliating by a free use of their clubs on the heads of the men.

MICHIGAN RATIFIES

(By Associated Press)

Lansing, Mich., June 10.—The Michigan Legislature late today ratified the federal woman suffrage amendment. The action was by unanimous vote in both houses.

PLUMBERS STRIKE

Fostoria, June 11.—Journeymen plumbers here struck for \$5 a day. They are now drawing \$4.25.

DOVER—All of the 11 mills of the American Sheet and Tin Plate Company will be working within two weeks. Repairs on foundations caused a shutting down of the mills. Seven hundred men will return to work.

MARYSVILLE—William F. Hauck of Columbus and Thomas Cartwell of Chicago were appointed administrators of the estate of the latter's father, John T. Cartwell, under bond of \$8000.

BELLAIRE—Ernest Smith, aged 8, dropped a match in an empty car, discarded by a miner. In the explosion which followed he lost the sight of one eye and may lose the sight of the other.

Nearly all, if not the entire body of delegates, will on Saturday, go to Washington to participate in the great labor demonstration there in protest of further enforcement of war-time prohibition.

VILLISTAS ON MARCH NORTH

(By Associated Press.)

El Paso, Texas, June 11.—Information received here states that forces under Generals Angeles and Villa have swung northward in three separate columns to the vicinity of Guadalupe, 32 miles east of Juarez, and now have a clean sweep toward the border city.

STRIKE BREAKER SHOT TO DEATH

(By Associated Press)

Dallas, Texas, June 11.—A. J. Fisher, a non-union lineman employed by the Dallas Light and Power Company was shot and killed in a fight here today between strikers, sympathizers and non-union men taking the places of striking employees.

AMERICANS ARE KILLED BY HUNS ALONG THE RHINE

(By Associated Press)

Coblentz, June 11.—Hostility between the American soldiers and German civilians in the occupied regions which has been increasing rapidly has resulted in more clashes.

In one instance one American was killed and several Americans wounded.

At Third Army headquarters today it was said that at least six Americans have been killed by civilians since the American troops reached the Rhine.

FAYETTE WOOL WORTH \$60,000 CLAIMS DEALER

15,000 Fleeces Said to Have Been Shorn This Season. With Total Weight of 100,000 Pounds.

Farmers Enlarging Flocks And Next Year's Production Will be Heavier.

The wool shearing season in Fayette county this year has been one of the most profitable in many years.

A local dealer states that approximately 15,000 fleeces were marketed at a very attractive price. This vast number of fleeces is estimated to yield a total of over 100,000 pounds of high grade wool. According to local wool buyers \$60,000 has been paid out to the farmers of the county in return for the wool.

It has been announced that the highest prices have been paid for Delaine wool due to the scarcity of this high grade brand, as virtually all the finer cloths are manufactured from this kind of fleece.

Fayette county not only made a substantial increase in the pounds of wool sheared this year but reports are to the effect that the farmers are preparing to enlarge their flocks and even a greater shear is expected for next year.

Prospects of high prices for wool for sometime to come, due to the great inroads made into the sheep herds of foreign countries during the war, form a good inducement to the farmers of the county to invest in larger numbers of sheep.

Monster Religious Pageant Feature of Methodist Centenary Celebration

ON the exposition grounds at Columbus, O., daily between June 20 and July 13 there will be produced, on a scale without precedent in this country, a program of pageantry which will require for its housing the coliseum, seating 8,000 people, a specially constructed mission playhouse, half a score of exhibit buildings, a great oval in front of an amphitheater designed to seat 50,000 people and calling for the services of 20,000 trained participants, already being drilled by hundreds of skilled instructors under the supervision of recognized authorities in missionary, dramatic and musical fields.

The Centenary Pageantry will be presented in six distinct divisions. The schedule includes:

1. A splendid production of the Columbus Centenary Pageant, "The Wayfarer," to be staged in the Coliseum, six

DR. J. E. CROWTHER.
Assistant Director of the Methodist Centenary Celebration.

performances each week, every evening except Sunday.

2. A mammoth patriotic pageant, on the great oval, probably July 4.

3. An impressive pageant of Prophecy, bringing together in massed array all participants in the service activities of the celebration. This processional will be held in the open.

4. The Children's Pageant, which will be given effective out-of-door setting in that it is to be staged on the lake front in the Centenary grounds with a background of natural greenery, with trees and shrubs.

5. The Demonstration Pageantry, given daily in the several exhibit buildings.

6. Native Life Plays in the Mission playhouse.

Interest on the part of the general public centers primarily in the Columbus Centenary Pageant, "The Wayfarer," which has been written and will be produced by Dr. J. E. Crowther of Seattle, assistant director of the celebration.

Realizing that the celebration would attract many thousands who could carry away a great spiritual message if it was presented in striking manner, he designed the pageant, "The Wayfarer," as more than an entertainment or a spectacle, and combined impressive religious drama with a high-class musical setting to show that throughout the ages religion has triumphed over seemingly insurmountable opposition.

"The theme of my pageant? One word will give it to you—Emmanuel—'God is with us,'" says the author-producer. "There are two leading

characters in this pageant of mine, a woman called Understanding and the Wayfarer, a man who represents that element in modern society, and more especially in the church, which is so bewildered by the industrial and the social upheaval in the revolution throughout the world as to be almost in despair.

"To Wayfarer, as to the many whom you and I know in real life, it seems as if God is either an absentee or utterly impotent to control existing conditions. However, I have held my pageant's text close to the fundamental truths which life teaches and as the Wayfarer journeys with Understanding through the great events of religious history, he discovers that in every age the church has been confronted with seemingly insurmountable difficulties, yet always has triumphed."

Dr. Crowther has built his "Pageant of the Kingdom" around three episodes—the Captivity, the Christ, the Conquest. The time is the present. The immediate occasion is the war in Europe.

Episode 1. The Captivity has three scenes—War, Desolation, Despair and Deliverance.

Episode 2. The Christ is presented in four scenes—Bethlehem, Jerusalem, Calvary, the Resurrection.

Episode 3. The Conquest comprises nine units, staged without intermission. The Great Commission, The Messengers of the Cross, The Gospel Message, The World's Response, Procession of Americans, The Christian League of Nations, The New Jerusalem on Earth, Emmanuel's Coronation.

The Great Commission recalls the direction of Christ for the conquest of the world through Christianity; portraying "The Messengers of the Cross" are shown Paul, Constantine, Augustine, Wycliffe, Luther, Wesley, Morrison—revered for service in China; Carey—whose name suggests India; Livingstone, inseparable from the church history of Africa; Lincoln and other men who in modern times have served the cause of Christian civilization.

In voicing "The World's Response," that great poem of John Oxenham, "From North and South and East and West They Come," will be given.

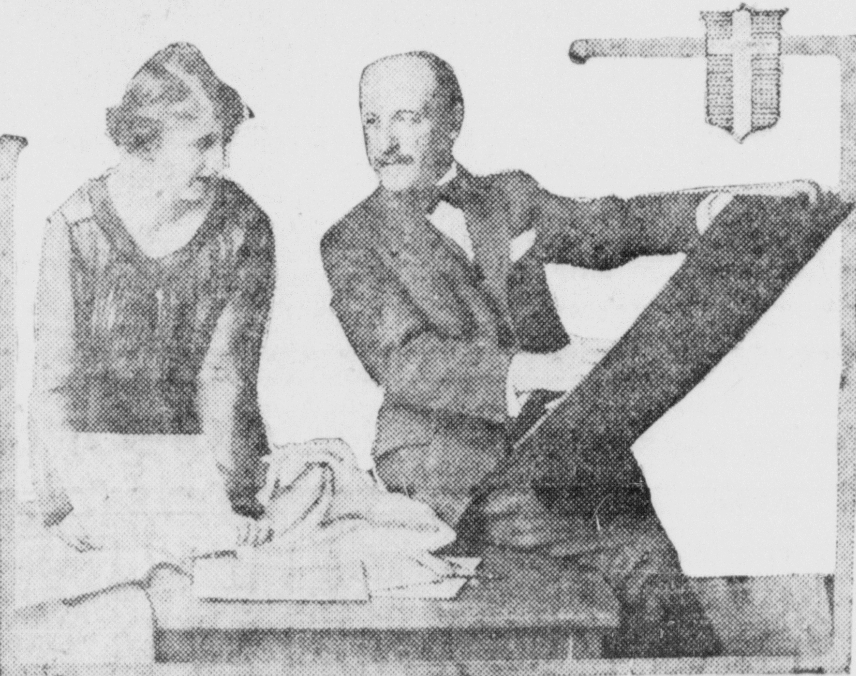

While much that is finest to the score of "The Messiah" will be incorporated in the presentation of "The Wayfarer," Professor William J. Kraft of Columbia University, director general of the Centenary music, is writing several choruses for it and selections from both Stainer and Macfarlane have been introduced. Assisting Professor Kraft are Horace Whitehouse of Ohio Wesleyan University and Montgomery Lynch of Seattle. Mr. Lynch will direct the music of "The Wayfarer."

A symphony orchestra of 75 pieces will support an off-stage chorus of 1,000 voices in addition to the 350 singers on the stage.

The musical numbers of the pageant form a feature which by itself would be considered ambition enough for any great production. They include the following:

Bass Solo—"Why Do the Nations"
Handel
Tenor Solo—"Comfort Ye"
Handel
Chorus—"Awake, Put on Thy Strength"
Kraft
Soprano Solo—"Rejoice Greatly, O Daughter of Zion"
Handel
Chorus—"Arise, Shine"
Kraft
Alto and Chorus—"O Thou That Telles"
Handel
Orchestra—"Pastoral Symphony"
Handel
Chorus—"Glory to God in the Highest"
Kraft
Alto Solo—"He Shall Feed His Flock"
Handel
Chorus—"Hosanna"
Kraft
Soprano Solo—"Come Unto Him"
Handel
Orchestra Processional—"To Calvary"
Stainer
Chorus—"Fling Wide the Gates"
Stainer
Tenor and Chorus—"Ho, Everyone That Thirsteth"
Macfarlane
Chorus—"Unto Us a Child is Born"
Handel
Chorus—"Hallelujah"
Handel

DESIGNING COSTUMES TO BE WORN AT METHODIST CENTENARY CELEBRATION

DESIGNS for thousands of costumes to be used in the pageants and life plays of the Methodist Centenary Celebration at Columbus, O., June 20 to July 13, are being prepared by Livingston Platt, the noted costume and scenic designer of New York, who has taken the big job of costuming appropriately all participants in the big exposition. Mr. Platt's designs range from the garb of the ancient Babylonians and their Jewish captives, worn in the first episode of the pageant, "The Wayfarer," to the more modern dress of Belgian

refugees in the war front scene. Seventy thousand yards of material have been ordered for the costumes used in the Centenary Celebration which marks in a spectacular and impressive manner the one hundredth anniversary of the founding of the Methodist missions.

Mr. Platt has made research work for weeks through authentic pictorial records of costumes, ancient and modern. In addition to the costumes of Biblical times, he has limned plates of Japanese, Chinese and Hindoo garb.

ITALY'S BIRTH RATE DECLINED

Rome, May 10.—(Correspondence of The Associated Press.)—The high pre-war birthrate of Italy of 31 per thousand declined during the war until for 1918, according to an exhaustive investigation by Dr. William Charles White, of Pittsburgh, head of the American Red Cross Tuberculosis commission, it had reached the low figure of approximately 17 per thousand.

"During the ten years 1901 to 1911" says Dr. White, "Italy added 2,250,000 to her population and from 1912 to 1915 she added 1,800,000 making an increase of about a half million."

"For a long period of years, the excess of births over death in Italy has never fallen below ten per thousand, while in some districts it is as high as 23.2 per thousand."

"Normally, 138 children under one year of age died for each thousand living births in Italy. During the war this figure in the large cities had risen to 171 per thousand. In some cases it rose to the alarming figure of 637 in the smaller cities. These figures give some indication of the problem in the fields of child welfare in Italy as one of the countries suffering most by the calamities of war within its own territories."

WAS THREATENED

Shimonoseki, Japan, May 2.—(Correspondence of the Associated Press.)—A Korean peer, Viscount Soheishun, who has just arrived from Fusan, Korea, told a Japanese journalist that during the recent demonstrations in Korea he received about fifteen threatening letters a day because he issued a warning to Koreans that none of the Western powers would interfere to support the demonstrations against Japan and that the agitation would have a very bad effect upon future relations between the Japanese and Koreans.

The Viscount added that anti-Japanese feeling was strong throughout Korea.

OUTLOOK IS FOR
GREATEST CROP
IN OHIO HISTORY

Fruit Alone Short of an Av-
 erage Yield Says Month-
 ly Crop Report.

Wheat Crop Figures To
Reach New High Mark.

The Ohio winter wheat crop gained
 another point in condition during
 May, states J. L. Cochran in charge of
 the Joint Federal and State Crop
 Reporting Service at Columbus, "and
 with harvest less than a month away,
 the present condition figure of 100
 per cent forecasts a record breaking
 crop of 56,268,000 bushels. In addi-
 tion, in the northern counties of the
 state spring wheat has so gained in
 popularity that the acreage this year
 is double that of last, and the 30,000
 acres seeded this spring with a condi-
 tion figure of 95 per cent promise a
 crop of 666,000 bushels, making a
 grand total for the state of 56,934,000
 bushels of wheat.

Due to unfavorable weather for
 seeding, and also to a preference for
 other grains this year, the oat acre-
 age of the state is only 89 per cent
 of last year's acreage, and with a
 comparatively low condition figure of
 88 per cent, the present outlook is for
 a crop of 58,473,000 bushels.

The barley acreage is the same as
 last year, and from the present condi-
 tion figure of 92 per cent a crop of 2,
 940,000 bushels is forecasted.

The outlook for the rye crop is
 nearly as promising as that of a
 month ago, the present condition be-
 ing 100 per cent, compared with 102
 percent May 1, and the condition of
 the hay crop remains as 93 per cent,
 being about 10 points above the ten-
 year average.

Pastures are reported at 98 per cent
 of normal for the state having gained
 8 points during May.

Due to a large measure to the late
 April frosts and cool wet weather
 during the period of pollination, the
 fruit crop prospect is discouraging.
 Apples show a condition of 55, peach-
 es 33, and pears 36 per cent, compar-
 ed with a ten year average of 62, 51,
 and 59 per cent respectively.

In Fayette county the condition of
 wheat on June first was 104 per cent
 of an average as compared with 104
 on May 1st. The oats acreage of
 the county is 98 per cent as compar-
 ed with 91 percent of an average last
 year. Condition of rye 100 per cent on
 June 1st as compared with 104 on
 May 1st. Hay, all kinds, condition
 June 1st 98 per cent, or an increase
 of 2 percent since May 1st.

HOW THE KOREANS
ARE BEING TREATED

Tokio, May 2.—(Correspondence of
 The Associated Press).—Representa-
 tive Konosuke Moriya, who was dis-
 patched by the Constitutional, or op-
 position party, to Korea to investi-
 gate the disturbances has reported
 the insurrection to be due to the fol-
 lowing causes:

Discriminatory treatment given to
 the Korean subjects, who are refused
 equal treatment with Japanese sub-
 jects in matters relating to the ap-
 pointment in government offices and
 stipends allowed.

Complicated and impracticable ad-
 ministrative measures, particularly
 strict for the tax collection which
 are against the old customs and man-
 ners of Korea.

Extreme oppression on public
 speeches. Koreans have no organ to
 give utterance to their complaints
 which do not reach the ears of the
 Governor-General.

Forcible adoption of the assimila-
 tion system. It is a great error and
 failure of colonial policy, he asserts,
 to attempt to enforce upon the Kor-
 eans, with a 2000-year history, the
 same spiritual and mental training as
 on the Japanese people.

Spread of the principle of the self-
 determination of nations which he de-
 scribes as the rising tide of the
 thoughts of the world's nations and
 which he says has deeply implanted
 itself in the minds of the Korean peo-
 ple.

PACKING OF PEAS
IS UNDER WAY

The canning season opened the first
 of this week at the Sears & Nichols
 canning plant, with a steady stream
 of peas pouring in from the surround-
 ing farms.

The acreage this year is said to be
 equal to former years and the peas
 are of fine quality. Highest prices are
 paid for the product. The local
 plant will run almost continuously
 and the last of such farm produce is
 gone, and will furnish employment to
 a large number of persons.

The plant has been thoroughly mo-
 dernized and many new and improved
 pieces of machinery installed.

ROLL OF HONOR

Casualty lists number 60 contains
 a total of 382 names among which are
 the names of 23 Ohioans. None of the
 Ohioans are local men.

The casualties are divided as fol-
 lows: Killed in action 2; died of ac-
 cident and other causes 9; died of dis-
 ease 9; wounded severely 62; wound-
 ed (degree undetermined) 86; wound-
 ed slightly 213; missing in action, 1.

STEPPING SOME

The day following his marriage to
 Miss Elsie Coulter, of Ironton after
 a two week's courtship, Lieutenant
 G. D. Kingery announced his candi-
 dacy for the Republican nomination
 for sheriff of Lawrence county. The
 same day he received notice of his
 promotion to a captaincy in the re-
 serves and he also received a citation
 for bravery in the Argonne.

Velvet

THE
SMOOTHEST
SMOKING
TOBACCO

TIME—given the right chance—
 puts character in a man's face,
 horse-sense under his hat, and mel-
 low fren'liness into his tobacco.

Velvet Joe

Time is a big factor in giving
 Velvet Tobacco its mildness and
 "character."

Velvet ages for two whole years in
 wooden hogsheads. During this
 long period the choice Burley leaves
 take on a kindly quality of cool-
 ness, a rich fra-
 grance, a "taste" that
 appeals to pipe
 smokers—old and
 young.

Don't hurry, but just
 walk into the next store
 and lay down a dime
 and a nickel and say
 "VELVET"—the tobac-
 co that isn't harsh but
 is friendly.
